

**DIX MILLE TOURS,
THE SEASON KICKS OFF IN PROVENCE!**

The Dix Mille Tours on 4-5 April 2020 kicks off the series by *Peter Auto* season for the very first time. It is also the first event of the year on the classic Paul Ricard circuit, which is celebrating its 50th anniversary in 2020! This year's novelty? Not eight but 10 grids will be doing battle on the track in Provence. The new Fifties' Legends series is being added to the usual grids: 2.0L Cup, Classic Endurance Racing I & II, Group C Racing, Heritage Touring Cup, Sixties' Endurance, The Greatest's Trophy Endurance Racing Legends as well as the guest grid for this meeting – Formula Junior.

These collector cars, the work of enthusiasts, put on a marvellous spectacle on the track as they are weapons designed to fight for victory with a single aim - the topmost step of the podium! Thanks to the paddocks open to the public, the Dix Mille Tours give the spectators who flock to this event the opportunity to admire the mechanics, wizards in the nuts-and-bolts department, who are hard at work preparing and fine-tuning the cars before, during and after the races. While awaiting the final list of entries for this meeting here's a mouth-watering sample of what to expect!
