REPORT OF THE DIX MILLE TOURS

Paris – Following the different governmental outbreaks devoted to the COVID-19 decision and for the good of all the spectators, participants and partners, Peter Auto and the Paul Ricard circuit management have taken the decision to postpone the Dix Mille Tours du Castellet meeting (originally scheduled on the 3rd, 4th and 5th of April) to the 24th, 25th and 26th of July 2020. Postponing this event appears like a necessity to make the most of the event and thus avoid any health risk during the meeting.

With just a few weeks to go to the Dix Mille Tours we share the deep disappointment of all the fans who were really looking forward to this event as well as that of the drivers and our partners. I assure you that, nevertheless, the Dix Mille Tours will not fail to shine in July in an atmosphere that will be more serene for all! "

Patrick Peter, President of Peter Auto
