

22-24 MAY 2020

**SAVE THE DATE: 10TH EDITION OF SPA-CLASSIC
A TRIBUTE TO THE TOURING CAR ERA**

In 2020, Spa-Classic like Le Mans Classic will celebrate its 10th anniversary and will take place on 22 - 24 May on the Spa-Francorchamps circuit in Belgium. Today, this event is a must for all collector car enthusiasts for several reasons: a plethora of races both at daytime and during the night, the possibility of accessing the paddocks to be in the thick of the action, cars on display, parades by clubs, as well as activities and boutiques dedicated to the motor car.

But above all, Spa-Classic gives the general public an opportunity to return to the past as it commemorates the 24 Hours of Francorchamps with particular emphasis on the Touring Car era from 1966 to 1984 with the Heritage Touring Cup Grid.

The other traditional grids of the series by Peter Auto will be present: 2.0L Cup, Endurance Racing Legends, Group C Racing, Sixties' Endurance and The Greatest's Trophy.

And there will be a novelty as a new grid, the Fifties' Legends, will be at the start of the 10th running of Spa-Classic. With this new series Peter Auto pays homage to the post-war trail-blazers. The introduction of the ninth grid gives owners of jewels of the 1950s (AC Ace, Lotus Elite, Sunbeam Alpine, Jaguar E Type pre-1962 etc.) to race alongside their rivals of the era.

The clubs that are loyal followers of the meetings by Peter Auto will be present at the iconic Spa-Francorchamps circuit in large numbers. Placed in the thick of the action they will enjoy preferential tariffs. More than 1 500 cars will be present at the trackside to delight the many spectators expected for the event.

PRACTICAL INFO

Date: From 22nd to 24th of May 2020
