POSTPONEMENT OF THE TOUR AUTO OPTIC 2000 UNTIL SEPTEMBER

Paris – Following the various governmental measures linked to Coronavirus COVID-19, Peter Auto and all its partners have decided to postpone the Tour Auto Optic 2000 until October. Thus, the rally will take place between 31st and 5th of October 2020. Its programme, its duration and its route (towns, circuits, special stages) remain unchanged.

“The adventure of the Tour Auto Optic 2000 is nothing without all the people who put their trust in us – drivers, partners, spectators and also all our volunteers. Thus, the postponement of this great event became unavoidable to allow us to live our passion again in complete safety in September. This isn’t the first occasion on which the rally has been held in this period as several runnings of the Tour de France Automobile (1951-1986) also took place during the month of September.”
